

COMPANY PROFILE

JKRFG UPGRADE BUSINESS SOLUTION CORPORATION generally provides computer printers and resells computer printers' consumables. The **MISSION** of the organization is to offer strategic solutions that will satisfy the printing requirements of individuals and organizations with emphasis on superior quality, reasonable costs and best maintenance service after sales. It is strategically located at Unit 1508 and 1514-A, 15F, New York Mansion Condominium, 84 Montreal Street, Barangay E. Rodriguez, Cubao, Quezon City.

The Company Owner has been in the business since 2001. Understanding the concept of supplying the basic need products of every business organizations, both private homes and offices and the automatic requirement of regular reorder, the Company envisioned to be recognized as one of the benchmark of trusted and leading suppliers and remanufacturers in the industry. Backed up with a decade of experience in the field of computer printers and related supplies, it continues to do market research for many new products to cope with the ever-changing market demands and needs to offer the best service to its clients.

The Company developed and implemented a system that listens and adopt to the customers' needs, deliver exceptional service, sustain long-term relationship with clients and with continuous effort to improve its services to excellent level. We aspire to be professional that values integrity in our dealings and services.

HIGH PERFORMANCE CARTRIDGE QUALITY

In addition to selling consistent, high-quality-performing and defect-free products, we offer top quality printers, copier paper, and more, supported by exceptional customer service. We're glad to provide advice on printers that use high-yield cartridges and match your exact printing needs.

SAVE MORE FOR YOUR MONEY

Unlike the superstores, we're home and office printing experts. And we sell high-performance products that can save money every time you print.

100% SATISFACTION GUARANTEE

When you choose Upgrade, we guarantee that you get 100% satisfaction on the fast technical support and services of our staff and on savings due to high performance yield of our ink and toner cartridges.

SAVE OUR ENVIRONMENT

To help customers reduce their carbon footprint, we offer simple recycling programs for businesses, schools and local organizations.
